SOLUTIONS

THEDA  CLARK
MEDICAL CENTER

*Designated Center of Excellence by the
American College of Surgeons and the
American Society of Bariatric Surgeons*

FOR IMMEDIATE RELEASE 08/28/07

MIDWEST BARIATRIC SOLUTIONS RECEIVES NATIONAL RECOGNITION OF ITS BARIATRIC CARE

Midwest Bariatric Solutions of Theda Clark Medical Center has been designated a member of the United Resource Networks Bariatric Centers of Excellence Network. This network was developed to support safe, successful and cost-effective care and treatment of patients in need of bariatric surgery. A United Resource Networks Centers of Excellence network designation signals to health care professionals and individuals that Midwest Bariatric Solutions has met or exceeded criteria developed by more than 170 practicing clinicians who Assist United Resource Networks in development of criteria to evaluate and recognize specific hospital, program and surgeon capabilities.

Please contact your health insurance benefits administrator to determine if your health plan provides coverage for bariatric surgery.
